Sylvain studio will contact the listing agent to schedule the photography session and discuss details of the special package digital photos and brochures. the date of the shoot may vary upon location, weather and other influence factors. A turnaroundtime for panoramic images of 7 day's, from time of order to posting on www.sylvaionstudio.com is expected. The panoramic images will be uploaded to your site the next business day. It is the sole responsibility of the listing agent to ensure the property is accessible and in proper condition to be photograph. The photographer is not responsible for unsightly object in the photo or if the property is locked or inaccessible for any reason. If the photographer arrives on site and the property cannot be photographed, a \$50,00 call out fee will be charge. it is also recommended that all valuable objects are removed from sight prior to the scheduled photography time to avoid images with such valuables visible to the internet.
